Holiday reading challenge

Read for at least 30 minutes every day and keep a list of what you read.

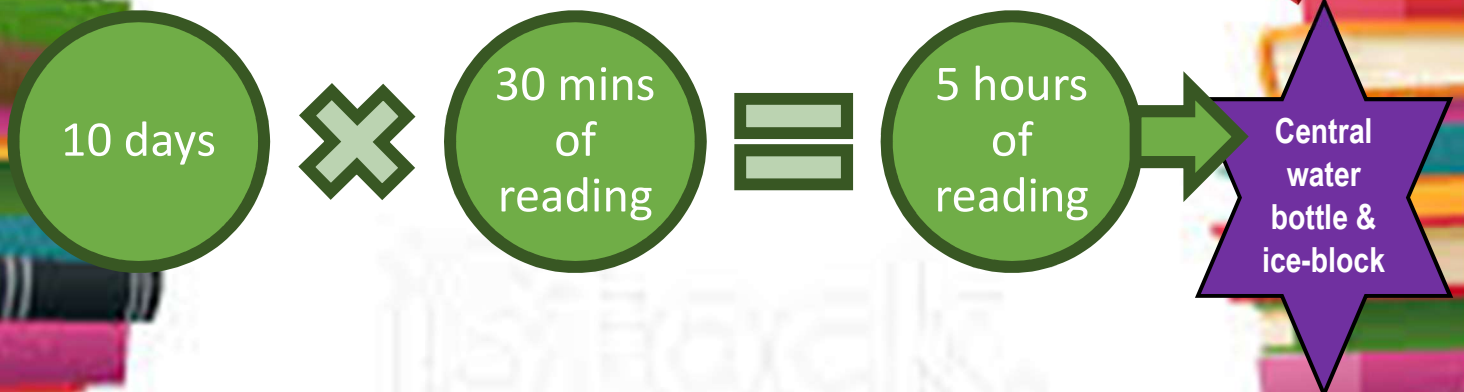

Read by yourself, be read to or read to someone else.

If you miss a day, you can make up the time by reading extra on other days. You can split the 30 minutes into shorter 10 minute parts or read in one go.

Have your parent/carer sign off on each day's reading.

Return this form by the end of week 1 next term.
